

**POLICY FOR CURB CUTS:**

Street curbs are cut for property owners to create or widen driveways. Property owners or contractors should contact MPW before attempting to cut a curb. MPW will cut a curb upon request. The property owner or contractor is responsible for a charge of \$50.00 for each opening made up to 25 feet whether it is a new or established drive. An additional \$2.00 per foot will be charged over 25 feet.
