

## POLICY FOR GARBAGE CARTS:

Each household will be provided with one 90-gallon Waste Management cart for their household garbage. Any resident inside the city limits of Milan with services from the Milan Public Utilities office is automatically charged a monthly sanitation fee. Additional fees apply for extra carts. Occasionally there are months with 5 weeks, there are no additional sanitation fees for these months. The cart belongs to the address. When a resident moves, the cart should be left at the address and our department notified so the cart may be collected. If moving to a different location inside the City and a cart is needed, please contact our office. If a cart becomes damaged please contact our office for repair or replacement. There are no additional fees for repair or replacement. For questions regarding service days please contact MPW. If your regular service day falls on a Holiday, WM will run one day behind schedule.

Household garbage must be bagged for sanitary and health reasons. It is the responsibility of the resident to keep the cart in a clean condition. The cart should not be used for yard or construction debris, i.e. grass, yard trimmings, bricks, wood, glass, or any other debris other than general household garbage.

The cart should be at the edge of the street on your service day by 6:00AM. (Milan Municipal Code 17-104 states): As soon as practicable after the cart is emptied it is to be moved to the rear or side of the property & away from the street line until the next scheduled time for collection. (Occasionally road work, mechanical failure, or other unforeseen incidents occur that may cause your service time to change so please have your cart out by 6:00AM.) Any carts not at the street will not be emptied. If you have a disability that prevents you from taking your cart to the street please contact our office. You will need to obtain a letter from your physician verifying your disability. A form may be obtained at our office or at City Hall. The request should be mailed to our office at 2041 College St or faxed to 731-686-8816. Please note that if someone lives at your residence that is not disabled, the service cannot be provided for you as a disability form pertains to all occupants. Only after the form/letter has been received by our office will this service begin.
