To the Citizens of Milan,

The Governor has provided the state with Executive Order 29 which allowed restaurants to open this past Monday and will allow retail businesses to open Wednesday, April 29th with restrictions. The Governor has indicated that his next actions will relate to gyms and medical procedures. Executive Order 29 supersedes and preempts any emergency order, health order or other order issued by a local official or local governmental entity addressing or otherwise related to COVID – 19.

The City of Milan will have a soft reopening of our park this week. Beginning Wednesday, April 29, park amenities that will be open **for groups of 10 or less** include disc golf, trails, dog park, athletic fields, pond, RC track, tennis and pickle ball courts for single play only and open areas. These amenities must adhere to social distancing guidelines and follow any restrictions posted on site. Restrictions may be adjusted at any time based on CDC, State, or Local recommendations. For more info, access link (<https://cityofmilantn.com/city-services/parks-recreation/>) or call 731-238-3064 (City Park Phone).

This virus is still with us and due to its highly infectious nature, we ask that all citizens wear masks in public, continue to maintain social distancing, frequent handwashing and limited travel.

Stay Safe Milan

Mayor BW Beasley
