Dear Citizens of Milan,

Please note our Declaration of Emergency is still in place. If you heard or watched Governor Lee then you know that he is not asking you to stay at home, but he is requiring you to stay at home unless you are performing essential services. Governor Lee has put out guidelines to law enforcement that they have the right to enforce this last order. Our local Police Department will be monitoring gatherings and social distancing. We are asking all citizens to follow our orders. Please shop responsibly when you need something.

Let's unite and we will get through this together.

STAY AT HOME!!!

Thank you and God Bless You!!!

Mayor B.W. Beasley
