Priv. Acts 1981, ch. 182, § 4 attempted to amend the above so that it would go into effect without local approval. Since art. XI, § 9 of the Tennessee Constitution requires local approval of all private acts and Priv. Acts 1981, ch. 82 was not passed in accordance with constitutional requirements, it is therefore inoperative and included in this compilation.

Priv. Acts 1994, ch. 136, § 2 purported to amend Priv. Acts 1957, ch. 372, and Priv. Acts 1967, ch. 400. These Acts were never approved and therefore are not included in this compilation.

Except as hereinafter provided, each member shall serve a term of four (4) years.

At the General Election in November, 1994, the member from the Fourth Ward of the City of Milan shall be elected for a term of one (1) year. Thereafter, the Board member from the Fourth Ward will be elected to a term of four (4) years. The present board members elected from that portion of that District lying outside of the municipal limits of the City of Milan shall serve until their terms expire. [As replaced by Priv. Acts 1981, ch. 182, § 1, and Priv. Acts 1994, ch. 136, § 1]

SEC. 3. Be it further enacted, That, the Milan Special School District, when and if created, shall share in all State funds according to the present laws governing the distribution of such funds and shall share in all County Funds according to the proportion that the children in average daily attendance in the Milan Special School District schools are to the number of pupils in average daily attendance in like schools within the County; provided, further, that any county pupils who attend the Milan Special District schools from without the Milan Special School District limits shall have paid for them into the Treasury of the Milan Special School District their pro rata share of all State and County Funds.

SECTION 4. That the County Trustee of Gibson County is hereby directed to make the necessary distribution of state and county funds to the Milan Special School District as set out above, and this distribution shall be paid to the designated agent as set up by the existing governing body of the City of Milan, Gibson County, Tennessee; provided, further, that the Milan Special School District shall be a tax-levying district and all laws now applying to the levying and collection of taxes in the counties and municipalities shall apply to the levying and collection of school taxes in the Milan Special School District; provided, further, that the taxes as levied for schools in the Milan Special School District and any other funds available from other sources may be used for administration, current operating expenses, capital outlay, fixed charges, or retirement of school bonds now issued or hereafter issued.

For the purposes of operating and maintaining the school district, there is hereby assessed an annual property tax of one dollar and seventy-seven cents (\$1.77) on every one hundred dollars (\$100.00) of real and personal property located within the district.

For the purpose of repairing, erecting, furnishing and equipping the school building or buildings and for the purpose of acquiring necessary grounds therefor, the District acting by and through its Board is hereby authorized and empowered to issue interest-bearing coupon bonds known as "school bonds", in such amount and in such denominations and upon such terms as the Board of Education may by resolution designate. The bonds so authorized and issued shall be general obligations of the District, shall mature and be payable serially, within a period not to exceed twenty (20) years as fixed by resolution of the Board. The necessary expenses in the issuance and sale of the bonds may be paid out of the bond proceeds.

For the purposes of operating and maintaining the school district, there is hereby assessed an annual property tax of one dollar and sixty-nine cents (\$1.69) on every one hundred dollars (\$100.00) of real and personal property located within the district. [As replaced by Priv. Acts 1981, ch. 182, § 2; amended by Priv. Acts 1984, ch. 234, § 1; Priv. Acts 1991, ch. 138; Priv. Acts 1994, ch. 136, § 3; and Priv. Acts 1997, ch. 17]

SEC. 6. The provisions of this act are severable, and if any of its provisions or any sentence, clause or paragraph shall be held unconstitutional by any court of competent jurisdiction, the decision of such court shall not affect or impair any of the remaining provisions hereof. [As added by Priv. Acts 1981, ch. 182, § 3]

In the event property taxes and such other funds as shall be pledged to the payment of the indebtedness of the district are not sufficient to pay principal thereof, and interest thereon, when due, the district shall apply funds from operations or other available funds of the district to the payment thereof.

SECTION 5. (a) For the purpose of paying principal of, and interest and any redemption premiums on, the bonds herein authorized and any other indebtedness of the district, and for the purpose of providing for the payment of costs of operating the schools of the district, there is hereby levied, in addition to the tax levied by authority of Chapter 504 of the Private Acts of 1945, as amended, a property tax of \$0.59 on every \$100 of real and personal property located within the district, such tax to take effect January 1, 2001 for the 2001 tax year and each tax year thereafter.

(b) The taxes shall be annually extended and collected by the County Trustee of Gibson County in the manner provided by general law for the extension and collection of county taxes and shall constitute a lien on the property against which they are levied with the like force and effect as do county taxes. The rate hereinabove established may be adjusted from time to time in accordance with the procedure set forth in Section 67-5-1704, Tennessee Code Annotated, relating to county-wide reappraisal.

(c) In addition, in the event the total assessed value of all property subject to the tax hereinabove described declines by more than 10% from January 1 of any year to January 1 of the next succeeding year or declines by more than 15% from January 1 of any year to January 1 of the second succeeding year thereafter, at the request of the board of education, the county assessor of property shall certify to the county

trustee and the board of education of the district the total assessed value of taxable property within the district and furnish the county trustee and the board of education an estimate of the total assessed value of all new construction and improvements not included on the assessment roll of the base year and all deletions from the assessment roll of the base year. Upon receipt of this information and certifications, the county trustee shall adjust the tax rate established herein to an adjusted rate which is estimated to provide to the district the same tax revenue as was provided by the tax in the base year, exclusive of such new construction, improvements and deletions, in accordance with policies established by the state board of equalization pursuant to Section 67-5-1701(b), Tennessee Code Annotated, or any successor thereto.

(d) Except as set forth below, these taxes shall be used exclusively to pay principal of, and interest on, the bonds authorized herein and any other indebtedness of the district as they come due. Any amounts arising from the tax hereinabove described and not required for the payment of debt service on the bonds authorized herein and other indebtedness of the district in excess of the principal and interest requirements on the bonds authorized herein and other indebtedness of the district for the next succeeding fiscal year may be used, at the discretion of the board of education of the district, for the construction, improvement, renovation, expansion, furnishing, fixturing and equipping of school buildings and facilities, and additions thereto, in and for the district, including the purchase of all property, real and personal, or interests therein, necessary in connection with such work, and the purchase of school buses and school transportation equipment, and all other operations and maintenance of schools in the district.

SECTION 6. The board of education is authorized to pledge to the payment of the bonds all or a portion of:

(1) any funds received by the district under the Tennessee Basic Education Program available to be used for capital outlay expenditures, as set forth in Section 49-3-351 et seq., Tennessee Code Annotated, and related sections;

(2) its share of the local option sales and use tax now or hereafter levied and collected in Gibson County, Tennessee, pursuant to Section 67-6-712, Tennessee Code Annotated; and

(3) any other funds received from the State of Tennessee, or any of its authorities, agencies or instrumentalities, for school purposes and available to be used for capital outlay expenditures.

SECTION 7. The bonds, and all income therefrom, shall be exempt from all state, county and municipal taxation in the State of Tennessee, except inheritance, transfer and estate taxes and except as otherwise provided by applicable law.

SECTION 8. The district is further authorized, by resolution of the board of education, to borrow money and issue its bonds for the purpose of refunding the bonds authorized herein, at or prior to maturity, in whole or in part, at any time, in accordance with the terms hereof.

SECTION 9. The district is further authorized, by resolution of the board of education, to issue and sell notes of the district in anticipation of the issuance of the bonds authorized herein. The notes may be sold in one or more series, may bear such date or dates, shall mature at such time or times, not exceeding three (3) years from their respective dated dates, may bear interest at such rate or rates (which may vary from time to time), may be payable at such time or times, may be in such denominations, may carry such registration and conversion privileges, may be executed in such manner, may be payable in such medium of payment at such place or places, may be subject to such terms of redemption, with or without premium, and may provide for the replacement of mutilated, destroyed or lost notes, all as may be provided by resolution of the board of education. The notes shall be sold as a whole or in part from time to time in such manner as shall be provided by resolution of the board of education. The board of education of the district is authorized and empowered to do and perform all acts and enter into all agreements which may be necessary or desirable in connection with the issuance and sale of the notes and delegate the power to consummate all such acts and execute and implement all such agreements on its behalf as the board of education shall deem necessary or desirable.

SECTION 10. In the event that the laws creating the district are repealed or the district is abolished, that portion of such laws levying a tax, the proceeds of which are pledged to the payment of outstanding bonds and indebtedness of the district, shall remain in full force and effect with respect to the real and personal property within the district to the extent necessary to satisfy the district's debt service requirements with respect to these bonds and indebtedness, and the outstanding bonds and indebtedness of the district shall remain binding and valid obligations of the district the same to be paid out of funds collected in respect of the tax herein authorized. In such event, the remaining tax shall continue to be collected by the Gibson County trustee and funds collected in respect thereof shall be paid in respect of the district's outstanding bonds and indebtedness by the district until such bonds and indebtedness have been paid in full; provided that, if a county-wide property tax is enacted for school purposes by the Gibson County Board of County Commissioners and the proceeds thereof are distributed to the district in such

a way as to be available to pay principal of, and interest and redemption premiums on, the bonds and other indebtedness, or other funds are available to pay the principal, premium and interest, the tax herein levied may be reduced by the board of education to an amount which, together with other taxes and funds, is sufficient to pay the principal, premium and interest.

SECTION 11. If any provision(s) of this act or the application thereof shall be held by any court of competent jurisdiction to be invalid or unenforceable to any extent, the remainder of this act and the application of such provisions shall not be affected thereby, shall be enforced to the greatest extent permitted by law and are declared to be severable.

SECTION 12. This act shall take effect upon becoming a law, the public welfare requiring it.
